I am a **passionate and dedicated** Web Developer, Graphic Designer, 3D Modeler, and Game Developer with a strong commitment to continuous learning and innovation. With extensive experience in creating dynamic web applications, visually compelling graphic designs, and interactive 3D models, I thrive on building impactful digital solutions. My expertise includes front-end and back-end web development, user interface design, and game development, combining creativity with technical precision. Known for my attention to detail, problem-solving skills, and ability to deliver high-quality results, I am eager to contribute to projects that push the boundaries of technology and design.

### Education

#### Hermann Gmeiner (10)

September 2024 - June 2028

#### Hermann Gmeiner School – Austrian Vocational School for ICT

September 2024 – June 2028 | Tirana, Albania

Currently pursuing a specialized education in Information and Communication Technology (ICT) at Hermann Gmeiner, a prestigious Austrian vocational school in Tirana. The curriculum emphasizes programming, software development, and modern IT infrastructure, combining theoretical knowledge with hands-on practical experience. The school collaborates with Austrian educational institutions and local businesses to provide students with real-world training in the tech industry.

#### Lidhja e Prizrenit School

Graduated: June 2024 | Tirana, Albania

Completed primary education with an outstanding academic performance, achieving a GPA of 9.8. The school provided a strong foundation in mathematics, science, and technology, fostering analytical thinking and problem-solving skills.

**National Graduation Exam in Albanian Language - 10**

**"National Graduation Exam in Mathematics" - 10**
